## *Butler Blvd Closure Traffic Plan v2* *as of 26 Jan 12*

**30 Jan 12**

This Briefing is:  
**UNCLASSIFIED**

---

# ***Morning Traffic Plan***

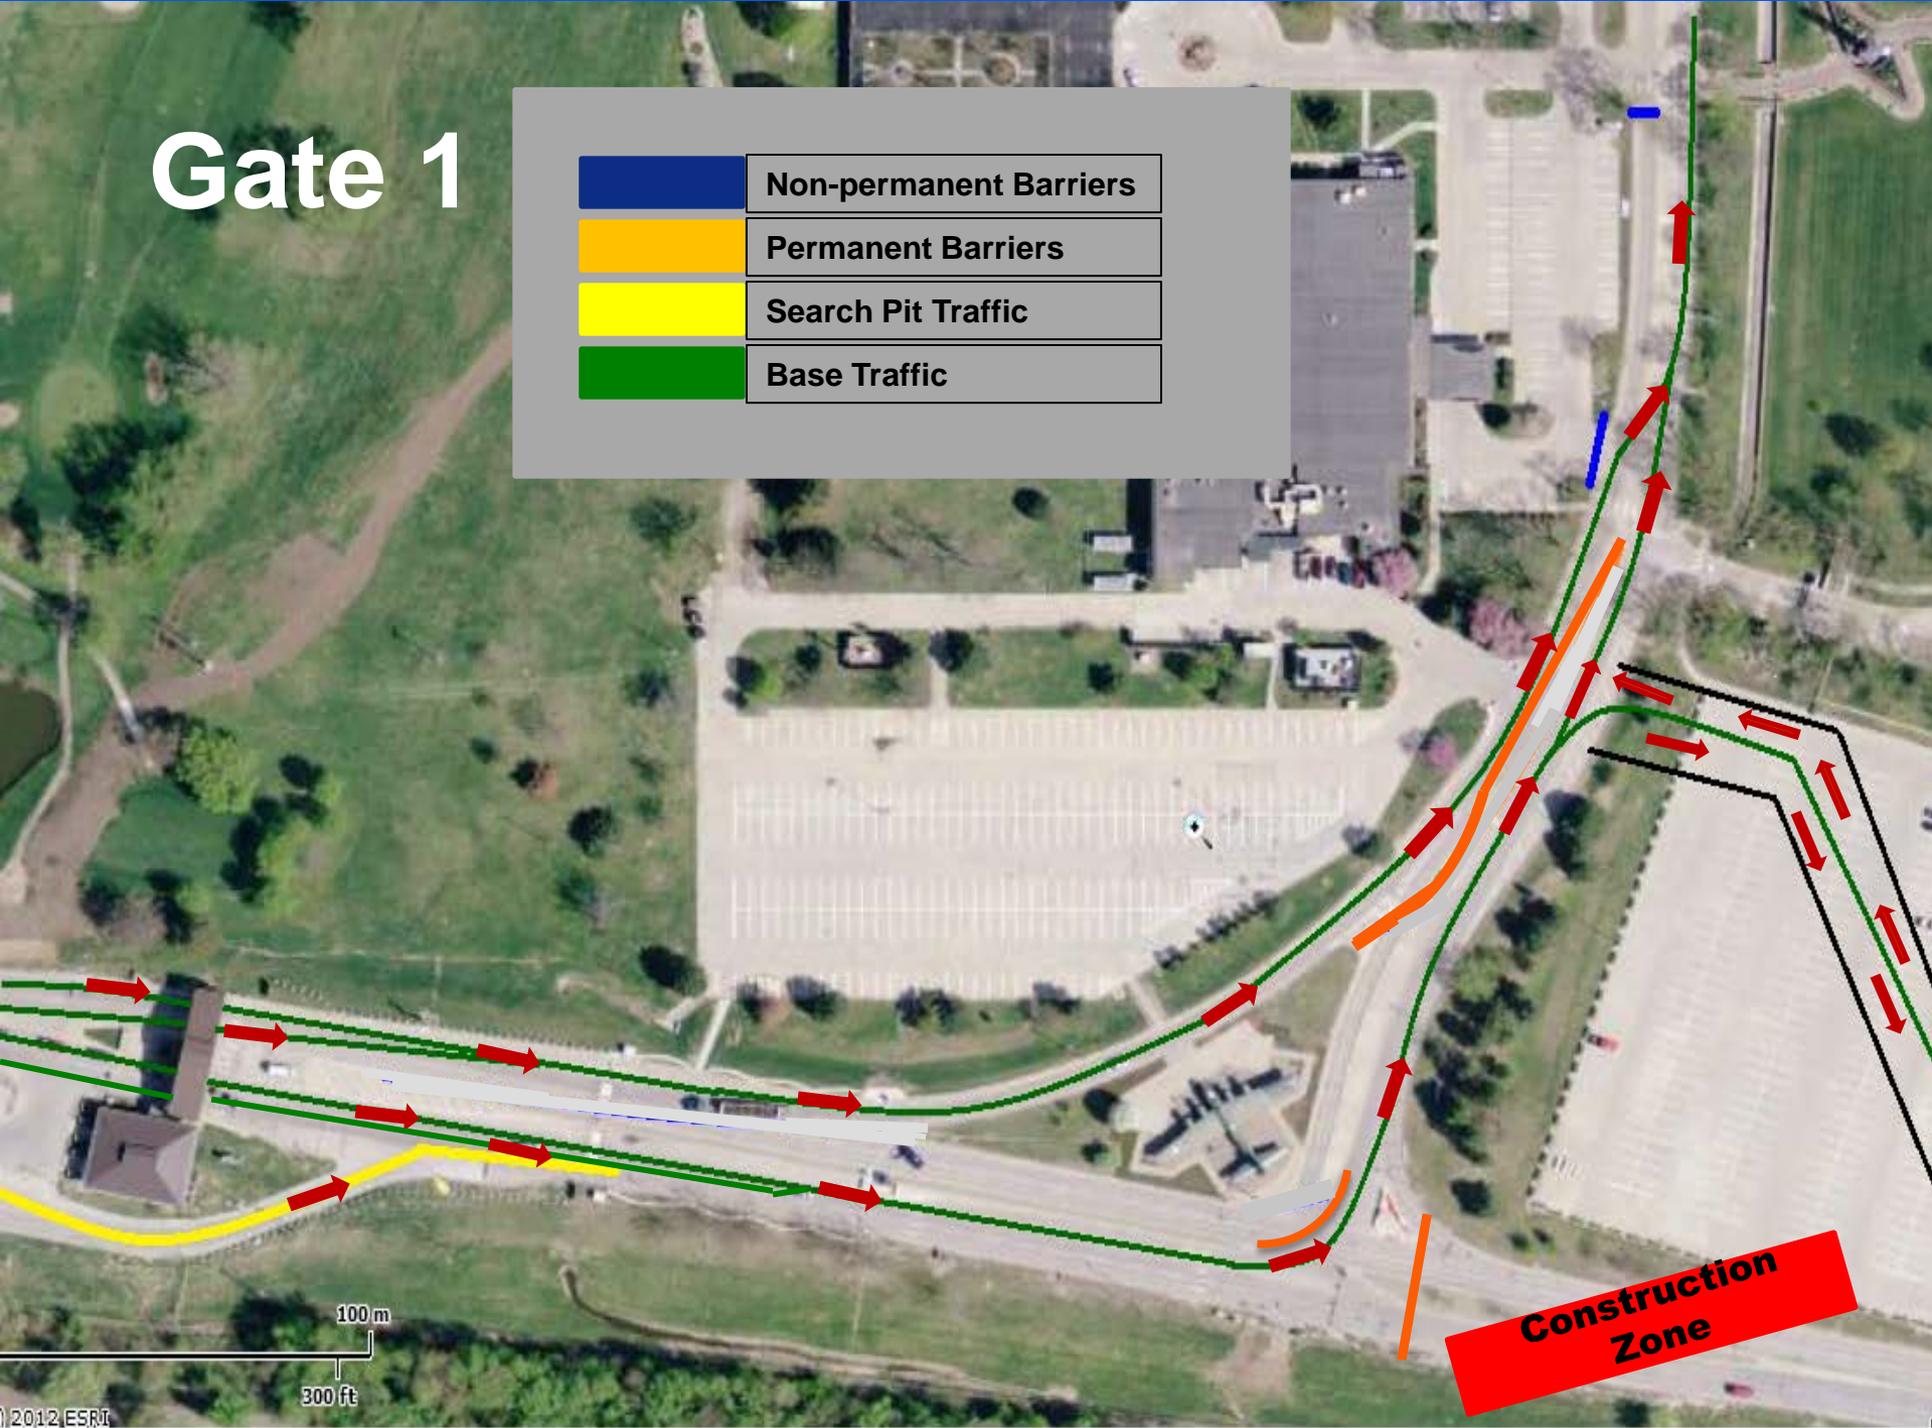

## ***0530-0900***

- **Gate 1 (STRATCOM)**
  - From 0530 – 0900 all lanes will be utilized for inbound traffic only
  - The right lanes will proceed down Butler Blvd and merge prior to making the left turn at SAC Blvd
  - Once on SAC Blvd (non-commercial) traffic will have the option to continue north and merge with the other inbound lanes or turn right on the newly paved Lot #6
  - No commercial vehicles will be allowed on the Lot #6 road and must proceed north on SAC Blvd
  - Traffic traveling northwest on the Lot #6 road must make a right turn on SAC Blvd to join northbound traffic
- **Gate 2/3 (Kenney/Bellevue): Normal Operations**

# Gate 1

# ***End of Day Traffic Plan***

## ***1530 - 1800***

- **Gate 1 (STRATCOM)**
  - From 1530 – 1800 two lanes will be used for outbound traffic and one lane for inbound traffic
  - Traffic proceeding south on SAC Blvd **MUST** merge right at Victor 3 to exit Gate 1 through the far right lane
  - Traffic using Lot #6 may exit Gate 1 by making a left turn onto SAC Blvd. This will be a single lane of traffic merging onto Butler Blvd at the traffic light.
  - Inbound traffic will merge north onto SAC either continuing north or turning right into Lot #6 (no commercial vehicles)
- **Gate 2 (Kenney): Open second exit lane**
- **Gate 3 (Bellevue): Normal Operations**
