WELCOME TO OFFUTT!

Welcome to Offutt!

Offutt Air Force Base has many ways to keep you informed of what is happening in and around the community. The base has a website located at www.offutt.af.mil where you can read stories on what is happening within Team Offutt. In addition, anyone in your family can find information if assistance is ever needed on the website's Comprehensive Airman Fitness page.

The base also has a very active social media program with Facebook, Twitter, Flickr and YouTube sites.

For those of you with a smart phone, we will be part of the new Air Force App called AF Connect. The App is available for download for both Apple and Android devices.

Last but not least, is the base newspaper, which is called, "The Air Pulse." This commercial paper is distributed by Suburban Newspapers using content mainly from the Offutt website (www.offutt.af.mil).

Location

Offutt AFB is 10 miles south of downtown Omaha in Bellevue, Neb., just six miles south of Interstate 80 at the Intersection of Capehart Road and U.S. Highway 75. The base operator's phone number is (402) 294-1110, or DSN 271-1110. In addition, you can find the Offutt AFB White and Yellow Pages at www.offutt.af.mil.

Driving from the East, West or North

Take Interstate 80 to U.S. Highway 75 South, the Kennedy Freeway to Bellevue. To enter the Kenney Gate, go south approximately six miles and exit at Nebraska Highway 370. Turn left and go under the overpass to the second exit (Offutt AFB/Fort Crook Road). Turn right off the exit, get into the left lane and

turn into the Kenney Gate (with all the flags). To enter the STRATCOM Gate, go south approximately seven miles and exit at Offutt AFB/Capehart Rd. Turn left. The STRATCOM Gate is straight ahead approximately one mile.

Driving from the South

From the South, exit Interstate 29 at exit number 35 for US-34 E/US-275 S toward Glenwood. Keep left at the fork to continue on Exit 35 B and merge onto US-34 W. Continue on US-34W (Now entering Nebraska) and turn right on US-75 N. Follow US-75 N and take the Capehart Road exit. When you reach Capehart Road, take a right and follow the road to the STRATCOM Gate. The Visitor's Center is on the right hand side before reaching the gate. The STRATCOM Gate is open 24/7/365.

Sponsorship/Mail

Meet your sponsor at the Offutt Welcome Center if you arrive during business hours. If you want to have mail forwarded to you at Offutt, you can use the following address: (Your Rank and Name), 110 Airman Circle Suite 99999, Offutt AFB, NE 68113-2070.

Lodging Reservations

Reservations at Offutt Inns can be made up to 120 days in advance and prior to receiving permanent change of station orders. Reservations must be reconfirmed three days prior to your arrival and will be canceled at 6 p.m. on the check-in date unless guaranteed with a credit card. To make reservations or for further information, call (402) 294-3671 or DSN 271-3671. Reservations may also be faxed to (402) 294-3199 or sent via e-mail to 55SVS.Lodging@offutt.af.mil.

Advance Pay for PCSing

Advance military pay is available within 30 days prior to PCSing and up to 60 days after arrival at your new permanent duty station. E-5s and above may request one month advance pay (minus deductions) without commander's approval and up to three months with commander's signature. E-4s and below will require commander's signature regardless of the number of months. Repayment on advance military pay is 12 months with an available extension of up to 24 months, again with commander's approval.

Signing In

When you arrive at your new installation, you'll need to follow installation-specific procedures. Each installation and service handles in-processing differently. Reach out to the contacts provided if you have specific questions. Talk to your sponsor, your supervisor or an expert in your unit about when to sign in. Remember, you must sign in before or on your Report No Later Than Date.

Upon arrival, all service members should report to their unit Commanders Support Staff (CSS) and they will provide you with an in-processing checklist. First Term Airmen will be directed to schedule for their Right Start/Newcomer's briefing or their CSS may schedule them; all other service members are responsible for scheduling themselves for Right Start/Newcomer's. Self-registration can be accomplished by calling the A&FRC @ (402) 294-4329.

If you arrive after normal duty hours, please make sure you have your sponsor's contact information for assistance if needed. You can report to the Offutt Inns and check in at the reception office located at 906 SAC Blvd., Bldg. 436 ("Malmstrom" Bldg). For reservations please call (402) 294-3671. Make sure to check in with your unit as soon as possible.

Important Items to Hand Carry:

- Copies of your PCS orders
- All moving paperwork, inventory, etc.
- Employment records of family members
- Medical, dental and immunization records for entire family
- School records for children and adults
- Pet records and immunizations
- Phone numbers for your gaining unit, sponsor and command post (for emergencies during transit)

Mandatory Appointments

In-processing briefing

Your CSS will schedule you for a briefing to complete all finance and military personnel flight in-processing. Be sure to bring several copies of your PCS orders, all travel documents, your personnel records and your medical records. The briefing also includes a section on family readiness and TRICARE at Offutt. Plan on spending one to two hours at this briefing.

GETTING STARTED

First Term Airmen Center

All first term Airmen assigned to Offutt as their first duty assignment are required to register for the First Term Airmen Course (FTAC) within 30 days of arriving on station. FTAC is a 5-day course designed to transition first term Airmen from a training mindset to operational mindset. The course focuses on topics such as Airmanship, Professionalism, Followership and other mission related topics. Register for FTAC on the Offutt Professional Development Center SharePoint site or contact the FTAC Office at (402) 232-6434.

EO Newcomer's Orientation and First Duty Station Training

In accordance with Air Force Instruction 36-2706, all Department of Defense personnel will receive equal opportunity human relations education within 30 days of arrival. These briefings are designed for individuals to comprehend and recall Air Force, Air Combat Command and local installation commander's "Zero Tolerance" policy regarding unlawful discrimination and sexual harassment. For appropriate scheduling, contact the EO office at (402) 294-3709 or DSN 271-3709.

Right Start Orientation

This four-and-a-half hour briefing is mandatory for all personnel in-processing to Offutt. It's a one-stop orientation that covers all required newcomer briefings except the finance and travel briefings. Spouses are highly encouraged to attend.

Installation Career Assistance Advisor

The Installation Career Assistance Advisor (CAA) serves as Offutt AFB's principle advisor to commanders, supervisors and enlisted personnel on force management and retention programs. The CAA oversees the First Term Airmen Course, facilitates the Informed Decision (Reenlistment) Seminar and hosts varying professional development courses monthly. Register for Offutt's Professional Development Center Courses at <https://cs2.eis.af.mil/sites/er/0144/SitePages/Home.aspx>. For assistance with retraining programs, professional development and career planning, contact the CAA at 402-232-3778 or 55FSS. Offutt.PDC@us.af.mil.

Also on Arrival

Relocation Assistance

Come to the Airman & Family Readiness Center for information on the community and other relocation services. The Airman & Family Readiness Center's phone number is (402) 294-4329.

Household Goods Shipment

Upon arrival at Offutt AFB please update your contact information to include phone numbers and address in the Defense Personal Property System (DPS) as soon as possible. Once you receive your new housing assignment, you can schedule delivery by logging into DPS and requesting delivery of your household goods with the carrier. Joint Personal Property Shipping Office North Central JPPSO-NC., handles all in-bound household goods and storage extensions past 90 days. Call (800) 771-1819 or DSN 692-9291.

Personally Procured Moves (previously known as DITY moves) are filed with TMO Household Goods, Bldg. 323C, Room 301. Please have your DD Form 2278, PPM Checklist, DD 1351-2, rental contracts, weight tickets, receipts for boxes or moving expenses, and 2 copies of your orders.

TRICARE

To update your TRICARE enrollment, please contact Health Net Federal Services at 1-844-866-WEST (9378) or visit www.tricare-west.com to update your enrollment online. To learn about different TRICARE plans, visit www.tricare.mil for more information. TRICARE dental (retiree) and vision benefits: www.tricare.benefeds.com

Pay Inquiries

The 55th Comptroller Squadron's Financial Services Office is located in Building 323C, Room 138 and is open from 0800-1500 Monday through Friday (except Holidays and Down Days). They can be reached via phone at (402) 294-3300 for Military Pay, (402) 294-0388 for Travel Pay, or (402) 294-3005 for Civilian Pay. The Finance in-processing briefing is held Mon - Wed - Fri at 0900 in Room 141. All members must attend this briefing within 5 duty days of arriving on station. In case of a financial emergency, the Air Force Aid Society can be reached through the Airman and Family Readiness Center at (402) 294-4329 (aid can be provided to members of all military branches).

On-Base Phones

The base has four telephone prefixes: Commercial 294 and 232, and DSN 271 and 272. To place calls from one on-base phone to another, dial the seven-digit number – 294-XXXX or 232-XXXX, whichever is appropriate. To place calls from an on-base phone to an off-base phone, dial 99 then the ten-digit number (you will hear a dial tone after dialing 99). To place DSN calls, dial 94 then the seven-digit number. Long distance calls from on-base phones can only be made by using a personal identification number that's issued by the 55th Communications Group through unit telephone control officers.

Airports

There's one major airport in the metro Omaha area. Eppley Airfield is four miles northeast of downtown Omaha at 4501 Abbott Drive, off Highway 480 North and Sorenson Expressway. There are also two small noncommercial airports in the Omaha area. North Omaha Airport is located on North 72nd Street in Omaha and Millard Airport is located at 12916 Millard Airport Plaza in West Omaha.

Weather Overview

Omaha area weather varies significantly throughout the year. Summers are very warm—and at times rather humid—with high temperatures ranging between 80 and 90 degrees Fahrenheit. Summertime thunderstorms are observed (on average) nine times per month—June through September. These storms usually occur in the late evening and overnight hours and account for nearly half of the region's annual rainfall.

On the other hand, winter weather is rather dry and cold. Typical daytime high temperatures range between 30 and 40 degrees Fahrenheit from December through March. Nevertheless, below zero temperatures are possible during colder spells and strong winds can create wind chill factors of 20 to 40 degrees below zero. Annual snowfall for eastern Nebraska averages between 25 and 30 inches. Spring and fall—the transition seasons—are mild, with high temperatures reaching 50 and 60 degrees Fahrenheit. Occasionally this transition time produces severe weather—isolated severe thunderstorms with hail (and even the possibility of tornadoes)—as warm and cold air masses clash in the Central Plains States.

On-base government transportation

Offutt's shuttle bus stops at various base locations Monday through Friday, 6 a.m. to 5:30 p.m. The shuttle bus doesn't run on weekends or holidays. For more information or a copy of the shuttle schedule, call transportation dispatch at (402) 294-4375.

Getting Onto Base

Offutt has three gates for your use. All of these access points are open at various times and may close unexpectedly at the discretion of the Defense Force Commander. The USSTRATCOM Gate, is located at East end of Capehart Road and is the only access point that is open 24/7/365. The Visitor Control Center (VCC) is located adjacent to the USSTRATCOM Gate and is open from 7 a.m. until 3 p.m. During VCC non-operational hours lane one at the USSTRATCOM Gate can perform basic visitor access control functions. The Kenney Gate, located on Ft. Crook Rd south of 370, and is open 7 days a week from 6 a.m. until 10 p.m. The Bellevue Gate, is located off Lincoln Rd. adjacent to the Sarpy County Museum and is open Monday through Friday from 6 a.m. until 6 p.m. (with the exception of holidays or Wing down days).

GETTING STARTED

Vehicle Registration

The Air Force no longer requires military, family members and Department of Defense employees to register vehicles on base. All drivers must have a valid Department of Defense identification card, valid driver's license, current registration, and proof of insurance. International driver's licenses are valid up to 60 days upon arrival to Offutt, after which only valid state licenses are permitted. For more information, contact the Pass and Registration office at (402) 294-8979.

Weapon Registration

All personnel residing in dormitories, bachelor living quarters, temporary living facilities (TLFs), government housing (to include privatized housing) or billeting/lodging facilities must register any weapon they possess with 55th Security Forces Squadron's armory. The registration focal point for personnel assigned to the 55th Wing will be the individual's group commander's support staff or unit orderly room. For all other organizations, the unit orderly room is the focal point for registration.

Emergency Phone Numbers

The 911 emergency system is used on Offutt and in the local communities for fire, rescue and police services. Dialing 911 from an on-base phone, including most phones in Capehart housing, will connect you to base emergency services, the 55th Security Forces Squadron, base fire department and Ehrling Bergquist clinic. Dialing 911 from an off-base residence will connect you with Sarpy County 911 emergency services.

Driving On-Base

General

Operators and passengers of all vehicles operated on Air Force installations must wear seat belts.

All children up to eight years of age must use a child passenger restraint system and must occupy a seat or seats, other than a front seat, if the seat or seats are equipped with a passenger restraint system and if the seat are not already occupied by a child or children under eight years of age. Furthermore, all children up to two years of age shall use a rear-facing child

passenger restraint system until the child outgrows the child passenger restraint system manufacturer's maximum allowable height or weight. The speed limit on Offutt is 25 miles per hour unless otherwise posted. The speed limit in base-housing areas varies from 15 mph to 25 mph (as posted). Only hands-free cell phone use is authorized by the Department of Defense on installations while operating a vehicle.

Insuring your Personal Vehicle

All automobiles must have insurance, and proof of this must be provided to obtain state registration. For more information regarding Nebraska insurance laws, call the Sarpy County Motor Vehicle Department at (402) 593-2148 located at 84th St. and Hwy 370.

Speeding

Driving more than 10 to 15 mph over posted speed limit within base housing will result in a seven-day driving suspension and the driver's base traffic history being assessed points. Any second speeding offense in base housing within 12 months will result in a 30-day suspension and points assessed. Any third speeding offense in base housing within 12 months will result in a six-month suspension and points assessed. Citations issued to people for exceeding the base housing posted speed limit by 16 mph or more will be reviewed on a case-by-case basis.

Caution

Please use caution along curb side parking in the base housing areas. Congestion makes it very difficult to see children playing and walking through the area. Please drive with extreme care.

Alcohol

The legal drinking age in Nebraska is 21. Purchase or possession of an alcoholic beverage by someone underage is a misdemeanor. Nebraska law and Offutt AFB regulations prohibits having an open container of alcohol in a vehicle, even if the vehicle is parked. All persons driving on Nebraska roads are deemed to have given consent to a chemical test to determine the level of drugs or alcohol in their blood, breath or urine. Refusal of a breath test is a misdemeanor. Refusal may also result in revocation of driving privileges for up to 15 years, depending on the offender's prior record. For more information on any legal issues, call the base legal office at (402) 294-3732/3733

FINDING A HOME

Privatized Housing Information

At Offutt Air Force Base, military family housing is privatized. Burlington Capital Properties (BCP) owns the family housing and is responsible for maintaining, repairing, constructing and managing the community. In addition to your option to purchase and rent housing in the local community, you now may choose to live in privatized housing by signing a tenant lease agreement with BCP.

For comprehensive information about the privatized housing community at Offutt AFB, visit the Rising View website www.risingview.com. The website provides information you need to know about the homes and amenities available in the privatized housing community.

Applying for Privatized Housing

Contact the HMO as soon as you know you are moving to Offutt AFB. The government housing team will provide you the latest information about privatized housing and details about the application process. The HMO will also update you on any base specific policies regarding residing in privatized housing.

Community Amenities

Privatized housing is comparable to housing in the local community and provides a wide variety of amenities and support services.

Community features such as 61 tot lots and playgrounds, soccer field, sand volleyball courts and approximately 15,000 linear feet of walking trails, full and half-court basketball courts, picnic pavilions, and a community gathering center “The Pointe at Rising View” (5600 gross square feet facility and 150 max person capacity) are just some of the amenities you will find at Rising View Communities.

As a resident of privatized housing, contact the Property Management Office to obtain more specific information on the services available at Rising View.

Paying Rent for Privatized Housing

Similar to living in the local community, you will sign a tenant lease agreement, typically for a one-year term. Your lease includes a military clause and a lease termination clause. You pay your monthly rent by authorizing an allotment of your BAH that is paid directly to the Property Manager. If your move occurs prior to the allotment start date, then you will need to pay the pro-rated rent directly to the Property Manager. The Tenant Lease Agreement spells out all relevant rent payment terms and conditions.

Gas and Electric Utilities

At this location, Gas and Electric are included in your rent. For more information about your utilities, please contact the Property Management Office.

Personal Property Insurance

Renter's insurance is highly recommended based on your personal needs.

Before purchasing your insurance, please consult the Property Management Office for more information about coverage.

School Information

See Referral and Relocation Assistance for information about schools in the local area.

MOVING WITH TRICARE

Moving with TRICARE

Your TRICARE coverage is completely portable — meaning it moves with you. You're covered worldwide — both in transit and once you arrive at your new location — but depending on where you go you may use a different TRICARE health plan option. Additionally, you may have different steps depending on which health plan option you are using now. For more information, visit www.tricare.mil.

Key things to remember when you move:

- Do not disenroll from any plan before you move so you are covered while traveling to your new location
- Update your new address and phone number in the Defense Enrollment Eligibility Reporting System (DEERS) when you get to your new location
- If you are enrolled in TRICARE Prime and
 - Move within the same TRICARE region: change your primary care manager
 - Move to another TRICARE region: transfer enrollment to your new region
- Active duty service members must enroll in a TRICARE Prime option

When Using TRICARE Standard and Extra

TRICARE Standard and Extra are available to family members only and enrollment is not required. Any active duty family member who is registered in DEERS may use these programs by seeing any network or non-network providers that are authorized by TRICARE. If you're already using TRICARE Standard and Extra, moving is easy. Once you arrive at your new location, update your personal information in DEERS immediately. Then, find TRICARE-authorized providers in your new area by visiting your new regional contractor's website for a list of providers. Remember, if you see network providers, you'll be using the Extra option and pay lower cost shares.

Getting Care along the Way:

If you are in need of Emergency Care in the United States

Call 911 or go to the nearest emergency room. TRICARE defines emergency care as medical services provided for a sudden or unexpected medical or psychiatric condition, or the sudden worsening of a chronic (ongoing) condition that is threatening to life, limb or sight and needs immediate medical treatment, or which has painful symptoms that need immediate relief to stop suffering.

If you are hospitalized in a civilian facility for more than 24 hours, contact your regional contractor. Urgent care in the United States - Coordinate with your PCM and/or regional contractor. TRICARE defines urgent care as medical care for a condition that will not result in disability or death if not treated immediately but should be treated within 24 hours to avoid further complications.

If you are in a Prime program, you must coordinate urgent care with your primary care manager and/or regional contractor before receiving care.

If you are in TRICARE Standard and Extra, or TRICARE for Life, you can receive care as you normally would. You should, however, contact your contractor as soon as possible to coordinate any prior authorizations that are needed.

Emergency or Urgent care Overseas

Contact closest TRICARE Area Office or TRICARE Global Remote Call Center. You don't need prior authorization for emergency or urgent care but the TRICARE Area Office or TRICARE Global Remote Call Center will help you find the best care available in the overseas area in which you are traveling.

YOUR TRICARE

Filling Prescriptions on the Road:

You should have all your prescriptions filled before you leave, but if you need a prescription filled while you're traveling in the United States, you have several options:

- If near an MTF, fill the prescription at the MTF pharmacy.
- Find the closest TRICARE network pharmacy.
- If a network pharmacy is not available, you can visit a non-network pharmacy. In this case, you may have to pay up front for your medications and file a claim with Express Scripts, Inc., for reimbursement. For more details, visit <http://www.tricare.mil/>.

Your pharmacy coverage is limited overseas:

TRICARE network pharmacies are only located in the United States, Puerto Rico, Guam and the U.S. Virgin Islands. You can have prescriptions filled at host-nation pharmacies, if necessary. Host-nation pharmacies are treated the same as non-network pharmacies. If you have prescriptions filled at a host-nation pharmacy, you should expect to pay for the total amount up front and file a claim with Wisconsin Physicians Service for partial reimbursement.

To learn more about pharmacy claims, visit the TRICARE website at www.tricare.mil, or the MHS GENESIS Patient Portal at <https://patientportal.mhsgenesis.health.mil>.

SERVICES & FACILITIES

Army & Air Force Exchange Service

The Exchange & BX (Main Store)

The Exchange offers a wide range of goods and services exclusively for military personnel and their families. A portion of all proceeds goes back directly to MWR as dividends, totaling almost a half a million dollars yearly. This helps maintain many facilities on base such as the bowling alley or field house, or helps increase the impact of MWR events.

The Exchange Mall contains specialty shops such as Patriot Outfitter, Martin Jewelry, HR Block; It's All About Bees, Vista Optical, optometry clinic, barber shop, laundry/dry cleaners, and an alterations shop. The Exchange Services also has Micro Markets in BLDG D, Base Clinic, Kisling Hall, and Cobb Hall. The Micro Markets are self-serve vending machines that provide a wide variety of food, snacks, and drinks.

Military Clothing Store

The Offutt Military Clothing Store, located in the Exchange Mall, stocks issue and commercial military items, insignia (all 4 branches), ribbons and metals, Offutt AFB gifts, and other military related merchandise.

Exchange (BX) Food Court

The Food Court, also located in the Exchange Mall, offers a variety of great meal choices to include Charley's Steak Sandwiches, Taco Bell, Popeye's Chicken, and Starbucks.

All patrons, both civilian and military, are authorized to dine at any Exchange food facility.

Burger King

Burger King is located in the Offutt Mini-Mall on Garland Boulevard. Guests can enjoy a full breakfast menu, hamburgers, specialty sandwiches, fresh fries, salads, ice cream, and many other meal items.

U.S. Strategic Command, 557th Weather Wing, Ehrling Bergquist Clinic & Offutt Fieldhouse

You can find Hard Bean Coffee at these locations. They offer coffee, smoothies, snacks, breakfast & lunch sandwiches, soup and much more.

Expresses (Mini-Mall/Class VI)

Offutt has three Expresses, all great for snacks or spirit/beer/wine purchases: The Mini-Mall/Class VI, located off Garland Avenue; Wherry Express, located on Nelson Drive; and Capehart Express, located in Rising View Housing off 25th Street and Hruska Boulevard.

The Wherry Express offers both Regular and Premium gasoline, while the Mini-Mall additionally offers Mid-Grade.

NEBRASKA

Good Life. Great Sacrifice.

VETERANS' AFFAIRS

55TH FORCE SUPPORT SQUADRON

The 55th Force Support Squadron offers Family, Fun, Fitness, Food & Support for the Offutt military community. For the latest information & facility hours for the programs below, visit offutt55fss.com or follow us on Facebook & Instagram at [offutt55fss](https://www.facebook.com/offutt55fss).

Aero Club

The LeMay Aero Club & Flight Training Center is the first flying club in the U.S. Armed Forces. The club provides flight training for Private Pilot certifications. Several FAA-certified flight instructors are available and flight instruction is tailored to meet the needs of the members. TDYs and shiftwork schedules can be accommodated. Aircraft rental is also available to members. Nearly all aircraft are certified for instrument flying. The Aero Club stocks limited pilot supplies at a discount. We are located in Bldg. 306, Hangar 1. Call (402) 294-3385 for more information.

Aquatics

Offutt's Aquatic program is managed by Outdoor Recreation. Swimming is available year round for indoor fitness, with a pool located in the Offutt Field House. For more information on Aquatics call (402) 294-4049.

Arts & Crafts

The Arts & Crafts Center specializes in creative gift ideas & awards. We have shadowboxes, trophies, plaques, and more. The center offers a consignment gallery, frame shop, and laser engraving. Located at 101 Union Lane, Bldg. 363. For more information, call (402) 294-3837.

Auto Hobby

Offutt Auto Hobby is a full-service auto shop and a DIY garage. Our ASE-certified mechanic provides quality service at affordable rates for personal vehicles, golf carts, ATVs, and GSA fleet vehicles. Services include tires, brakes, oil changes, and minor maintenance. Self-service stalls are available for DIY maintenance. Use our flat stalls, drive-on lifts, frame lifts, lube racks, tire machine, and more. We also offer specialized equipment for turning brake drums & discs, computerized engine analysis, and a battery charging system. Many common items are on inventory. Special items can be ordered including parts, batteries, and windshield wipers. Auto Hobby operates & maintains the automatic car wash, self-serve wash bays, a secure storage lot for automobiles, and a resale lot. Located in Bldg. 362 with ITT & Outdoor Rec. Call (402) 294-5564 to make an appointment.

Base Lake Recreation Area

The Offutt Base Lake Recreation Area offers fishing, camping, and more. Located on 183 acres east of Offutt, the area is open year-round. Facilities include covered picnic shelters, an archery range, and playground equipment. The lake is stocked with a variety of fish. A State of Nebraska fishing permit and a Base Lake fishing permit are required. Both can be purchased at Outdoor Rec in Bldg. 362. Canoes, kayaks, and paddle boats are allowed. Motorized boats are prohibited. The FAMCAMP facilities were damaged in the 2019 flood. Currently there are no working facilities, restrooms, or storm shelter. Limited dry camping spots are available on a first come-first served basis, with no electric, sewer, or water service. We expect to rebuild the Boat House & Pavilion with an expected reopening in 2022.

SERVICES & FACILITIES

Child Development Programs

Welcome to the Child Development Center 1 and Child Development Center 2 programs. Our mission is to assist military & civilian families in balancing the competing demands of family life with the accomplishment of the military mission. We provide a high quality, safe, healthy caring & learning environment for children. We respect each child's unique interests, experiences, abilities and needs. Likewise, our program respects and supports the ideals, cultures, and values of families in their task of nurturing children. The programs offer regular full-time care for children 6 weeks to 5 years of age, Monday through Friday. Hourly care is available by reservation for children 12 months to 5 years of age. For additional information about our programs, please call (402) 294-2203 for CDC 1 (off base at 25th and Kennedy Blvd.), or (402) 232-2526 for CDC 2 (on base at 302 Nelson Dr.).

Equipment Rental

Equipment Rental provides a wide variety of household items, lawn & garden equipment, party supplies, inflatables, utility trailers, and sporting gear. We have recreation equipment including boats, canoes, campers, outdoor adventure gear, and more. We offer small engine tune ups on push mowers, weed eaters, and snow blowers. The Recreation Vehicle Storage Lot has secure storage spaces available for RVs and trailers up to 45' long. All DoD ID cardholders are authorized to rent equipment & use our services. Equipment Rental is located in Bldg 362 with ITT & Auto Hobby. For more information call (402) 294-4049.

Family Child Care

Family Child Care (FCC) manages the care of children in affiliated on-base and off-base homes. The FCC program certifies applicants who wish to operate a home child care facility under base jurisdiction, and provides ongoing support & resources to providers. Offutt's Family Child Care Providers are well-trained professionals who provide quality child care for children from 2 weeks to 12 years of age. Care is available 24 hours a day. We aim to accommodate parents who work swing shifts, mid shifts, rotating shifts, alerts, extended TDYs, weekends, extended duty, or who have children requiring specialized care. Call (402) 294-9016 if you're interested in the FCC program, or becoming an FCC provider.

Fitness and Sports Center

The Offutt Field House is the largest fitness center in the Department of Defense. Offering a .4-mile running track, indoor swimming pool, racquetball courts, tactical fitness area, tennis courts, soccer pitch, basketball courts, volleyball courts, and children's play area. The Field House has a large selection of cardio, free weight, and resistance equipment. We offer fitness classes, personal trainers, and other services. Several special events are scheduled throughout the year including Fun Runs, incentive challenges, sports tournaments, and intramural activities. Call (402) 294-5414 for more information.

SERVICES & FACILITIES

Information, Tickets & Travel

The Information Tickets & Travel office offers discount tickets to local & regional attractions & events. Concerts, theme parks, museums, memberships, sporting events, theater, and more! We also sell advance tickets for national theme parks like Walt Disney World, Universal, and Seaworld. ITT is located in Bldg. 362 with Auto Hobby & Outdoor Rec. Call (402) 294-4049 for additional information.

Lodging

Welcome to Offutt's Air Force Inns! We hope you will enjoy the attractions at Offutt AFB and the Omaha area. Visitors of all ranks can enjoy comfortable accommodations in the Malmstrom Inn. The Fort Crook House (Quarters 13) is used for distinguished visitors and is located on historic General's Row. We manage 15 temporary lodging units (TLF) from Rising View, located off-base in the military housing area. TLF units can sleep up to eight adults, and feature two full bathrooms, a fully furnished kitchen, washer & dryer, telephone, free Wi-Fi, and cable. To make reservations or for more information call: (402) 294-3671 or DSN 271-3671. Reservations may also be faxed to (402) 294-3199.

NAF Human Resources Office

The Human Resources Office (HRO) provides management and administration of the Non-Appropriated Fund (NAF) Personnel Program at Offutt AFB. The HRO advises and provides assistance to management in meeting personnel needs. We solve personnel issues while ensuring programs & actions comply with all laws, regulations, and policies. The Human Resource Office staff can help match your skills with the right position. The 55th Force Support Squadron is always looking for friendly, outgoing people to work in its many facilities. Positions range from Recreation Aid and Child Development Assistants to Food Service Workers, Office Automation Clerks, and Lifeguards. For more information, call (402) 294-2344 or visit USAJobs.gov.

Outdoor Recreation

Outdoor Recreation is your source for fun & adventure! We manage the Base Lake Recreation Area, FAMCAMP, Outdoor Adventure Programs, Equipment Rental, and Aquatics. We offer a variety of special events throughout the year including camping, zip lining, hunting trips, fishing trips, snowmobiling, dog sledding, paintball, and more! Located in Bldg 362 with Auto Hobby & ITT. Call (402) 294-4049 for more information.

Peacekeeper Lanes Bowling Center

Fun & affordable family entertainment! Peacekeeper lanes is a 20-lane bowling center located in the basement of the Martin Bomber Building (Bldg. D). We offer both League & Open Play. Bowling goes Xtreme on Friday & Saturday nights, adding vibrant lights & exciting music to your game. Bumper Bowling is available for young bowlers. Register for the "Kids Bowl Free" program to get free bowling all summer long. The Kegler Kafe provides a snack bar with a full range of food & beverages, and serves daily breakfast & lunch specials. The Kafe features a lounge area & arcade. Arrangements can be made for squadron functions, meetings, and birthday parties. For current pricing, or to make reservations, call (402) 294-2514.

Ronald L. King Dining Facility

This first-class dining facility operation is located near Airmen's dormitories. Serving more than 17,000 meals a month in support of the Air Force's readiness and peacetime missions. The dining facility offers a cafeteria-style operation with a wide variety of menu items each day. The convenient location makes nutritious grab-and-go specialties easy for troops on the run. For more information, call (402) 294-3980.

SERVICES & FACILITIES

Warhawk Community Center

The Warhawk Community Center is a diverse facility that hosts a variety of events and offers multiple venue spaces for your next meeting, training, conference, or party! Room capacity varies from 25 to 250 people. Amenities include a pool table, gaming systems, ping pong table, air hockey, darts, indoor bounce houses and more. Microphones, podiums, projectors, and a stage are available for formal events. Active Duty, Retired Military, DoD Civilians, Contractors, and Adult Dependents may make room reservations. The Raiders Lounge is located within the Warhawk Community Center, offering a full-service bar, food service, and special events. Located at 914 SAC Blvd. Bldg. 462. For additional information about our programs, or to make reservations call 402-294-9558.

Willow Lakes Golf Course

Willow Lakes Golf Course is a championship 18-hole layout designed by the famous Robert Trent Jones Sr. This challenging and picturesque course is located across the street from the Rising View housing area. The facility offers two practice putting greens, an outdoor driving range, club storage, golf carts, golf scooters, lockers, club fitting, golf instruction, and golf club rentals. The Willow Lakes Golf Shop offers a wide selection of the latest golf merchandise at reasonable prices. During the season The Grill at Willow Lakes serves breakfast and lunch with regular specials. A special function area can also be reserved for meetings, retirements, and other functions. For Willow Lakes tee times, private lessons, or more information, call the Golf Shop at (402) 292-1680.

Youth Programs

Youth Programs offers sports, classes, social events, school-age care programs, summer camps, specialty camps, peer counseling, and relocation /transition support for children ages 5 - 18 years old. The year-round sports program includes soccer, baseball, flag-football, and basketball. Classes are offered in gymnastics, martial arts, and piano. Youth Programs is located in Bldg. 5085, located by the AAFES Shoppette at 25th and Hruska. For additional information, call (402) 294-5152.

For military families, the only hunger
should be to serve.

Right now, as many as 125,000 active duty service members and their families are facing food insecurity in the United States.

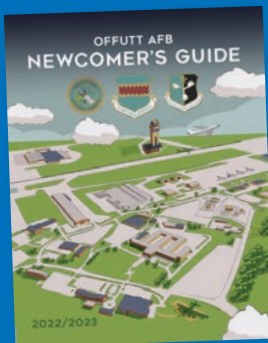

Through pantries run by our network partners, child hunger programs, mobile pantries, SNAP outreach specialists and advocacy efforts, Food Bank for the Heartland is committed to ensuring access to healthy food across Nebraska and western Iowa, including for our neighbors serving in the military.

If you are struggling to put food on the table, or want to help someone who is, please visit FoodBankHeartland.org today.

55TH WING

The 55th Wing is largest wing in Air Combat Command. Operating on four continents, the wing supports five diverse flying missions. The Fightin' Fifty-Fifth provides global reconnaissance, real-time intelligence gathering, command and control, information warfare, electronic attack and combat support to national leadership and warfighting commanders.

55th Communications Group

The 55th Communications Group comprises more than 400 military, Department of Defense civilians and contracted personnel who specialize in nuclear and conventional command and control communications (C3), information assurance, and knowledge operations services while rapidly developing defensive cyberspace operations capabilities to assure the 55th Wing's information warfare mission. The group provides national-level nuclear C3 and an Alternate Missile Warning Center to the U.S. Strategic Command, partner organizations, and the Department of Defense globally. Additionally, the group provides C3 to the Nation's medium altitude intelligence, surveillance and reconnaissance enterprise. In order to enable both nuclear and conventional command and control, the group operates and maintains a vast array of C3 systems including military satellite communications; Joint Worldwide Intelligence Systems; secure and non-secure voice, data and radio frequency networks; and hundreds of miles of fiber optic and copper cabling. Finally, the group is leveraging the Air Force's Enterprise Information Technology as a Service Risk Reduction Effort to transform the group's cyber work force to provide defensive cyberspace operations in order to assure the 55th Wing's information warfare mission.

55th Maintenance Group

The 55th Maintenance Group's 1,200 personnel are proud to be combat enablers, maintaining 26 combat ready C-135s. The group executes an annual budget of \$5.5 million and a 10,000 hour flying program to respond to Joint Chiefs of Staff-directed taskings, providing critical reconnaissance worldwide; develop maintenance plans to support five geographically separated units.

55th Medical Group

The 55th Medical Group is a four-squadron medical group that operates a full-service outpatient clinic with 621 staff providing comprehensive primary and specialty medical and dental care to the almost 28,000 members of Team Offutt. It also services almost 44,000 TRICARE eligible beneficiaries in the greater Omaha area. The medical group is collectively responsible for providing comprehensive health services to maintain the highest degree of readiness in support of contingency war mobilization and homeland defense plans for Offutt and its partner units including U.S. Strategic Command and the 557th Weather Wing. The group primarily operates out of the Ehrling Bergquist Clinic on the main medical campus, and provides a full range of medical services including outpatient women's health, orthopedics, podiatry, general surgery, outpatient pediatrics, family medicine, flight medicine, mental health, dermatology, dentistry, pharmacy, laboratory, optometry, physical therapy, allergy/immunizations, audiology, public health, and radiology.

Do you know how your child is doing in math?

Mathnasium will assess your child and pinpoint what they'll need to excel. We provide each student with a customized Learning Plan so they can catch up and get ahead. And they'll get the live, face-to-face instruction they need to accelerate their math skills and take on the rest of the school year with confidence. We teach math in a way that makes sense to students,

so they understand it, master it, and enjoy it. The goal is not just to improve grades and scores, but to teach children how to think critically, solve problems and work independently — important skills that last a lifetime.

Join over a million parents who have trusted Mathnasium to build their children's confidence and transform their math skills. Instruction is offered both in-center and online.

Contact us today for \$100 off startup!

FIGHTIN' 55TH UNITS

55th Mission Support Group

The mission of the 55th Mission Support Group is to provide vital support to Offutt Air Force Base, through engineering, security, mission support, services, supply, transportation, contracting and deployment readiness programs to more than 57,000 active duty, dependent and retiree personnel. This also involves more than 50 partner units including U.S. Strategic Command, 557th Weather Wing, the 595th Command & Control Group and the Defense POW/MIA Accounting Agency among others.

55th Operations Group

With 11 squadrons, two detachments and almost 3,000 Airmen, civilians, and contractors, the 55th Operations Group is the largest and most diverse operations group in the Air Force, flying all variants of the RC-135 and WC-135 aircraft. The group operates these aircraft around the clock in every geographic command in support of the 55th's global reconnaissance, contingency operations, and treaty verification missions. Permanent overseas operating locations include Royal Air Force Mildenhall, U.K., Naval Support Area Souda Bay, Crete, and Kadena Air Base, Japan. The 55th OG also operates regularly from an additional five temporary locations around the world.

55th Electronic Combat Group

The 55th Electronic Combat Group, a geographically separated unit of the 55th Wing headquartered at Davis-Monthan Air Force Base, Arizona, provides combat-ready EC-130H Compass Call aircraft, aircrews and maintainers to combatant commanders. The group also plans and executes information operations and electronic attack operations to deny, degrade or disrupt enemy communications in support of theater campaign plans.

PARTNER UNITS

U.S. Strategic Command

U.S. Strategic Command, one of eleven unified combatant commands of the Department of Defense, USSTRATCOM deters strategic attack and employs forces, as directed, to guarantee the security of our Nation and our Allies.

The headquarters employs about 3,000 people, representing all five military services, Department of Defense civilians and contractors, who oversee the command's global operations – 24 hours a day, seven days a week. A global combatant command with trans-regional areas of responsibility, USSTRATCOM has evolved from a single focus on nuclear war-planning to an integrated portfolio of dynamic strategic capabilities to successfully redefine global deterrence and confront the full range of national security challenges with timely, effective and precision effects.

As of August 2019, USSTRATCOM is charged with seven mission areas as assigned by the Unified Command Plan: deter strategic attack and employ forces, as directed, to guarantee the security of our Nation and our Allies. The command enables Joint Force operations and is the combatant command responsible for Strategic Deterrence, Nuclear Operations, Nuclear Command, Control, and Communications (NC3) Enterprise Operations, Joint Electromagnetic Spectrum Operations, Global Strike, Missile Defense, Analysis and Targeting, and Missile Threat Assessment. These mission areas are critical to deterring strategic attack against the United States and providing assurance to our allies. They provide the nation with a safe, secure, effective and ready nuclear deterrent force and deliver comprehensive warfighting solutions. USSTRATCOM combines the synergy of the U.S. legacy nuclear command and control mission with responsibility for global strike, and global missile defense. This dynamic command gives national leadership a unified resource for greater understanding of specific threats around the world and the means to respond to those threats rapidly.

As of October 2018, the major USSTRATCOM components include two joint force component commanders, a joint functional component command and one center:

Joint Forces Air Component Commander, Barksdale AFB, La. - JFACC conducts kinetic (nuclear

and conventional) and non-kinetic effects planning and execution. JFACC manages global force air activities to assure allies and to deter and dissuade actions detrimental to the United States and its global interests; should deterrence fail, employs global strike air forces (bombers and ICBMs) in support of combatant commander objectives.

Joint Functional Component Command for Integrated Missile Defense JFCC-IMD, Schriever AFB, Colo. - JFCC-IMD is constantly monitoring for any missile activity or threat against the United States and its allies. In the event of an attack, IMD plans and coordinates the necessary actions to counter the threat. Joint Force Maritime Component Command, JFMCC - The mission of JFMCC is to conduct joint maritime operations to execute the maritime aspects of strategic deterrence.

557th Weather Wing

The mission of the 557th Weather Wing, the Air Force's only weather wing, is to apply environmental knowledge and outcomes to directly and deliberately impose a cost on the adversary. This is done by providing around-the-clock authoritative terrestrial and space-environmental data, analyses, forecasts, threat-warning and threat-mitigation assessments and services for the Department of Defense, military services, all geographic and functional combatant commands, the National Intelligence Community, White House Situation Room, interagency, allied and coalition partners around the world across multiple security enclaves.

The men and women of the 557th embrace a proud heritage of maximizing America's military power. From the D-Day invasion to Operations Enduring Freedom, Iraqi Freedom and Inherent Resolve, the wing's weather and cyber professionals enabled warfighters to achieve multi-domain decision superiority by mitigating atmospheric and solar threats and exploiting opportunities at the strategic, operational, and tactical levels of warfare.

Headquartered at Offutt Air Force Base, Nebraska, the 557th is comprised of 1,450 personnel in two groups and 12 squadrons spanning 19 globally dispersed locations. Through the 1st and 2nd Weather Groups, the wing integrates leading-edge threat-

based weather assessments and warnings, as well as climatological projection and solar-threat expertise. From leading environmental risk to force and mission, to shaping warfighter planning and execution of kinetic and non-kinetic engagements, to enabling long-range strategic basing decisions, the 557th reminds decision makers that “Weather Drives Behavior.”

595th Command & Control Group

The 595th Command & Control Group, located at Offutt Air Force Base, Neb., is a geographically separated unit of Eighth Air Force. Established in 2016, the group consolidates all of the Air Force’s Nuclear Command and Control Communications into one unit.

The 595th C2G is comprised of four squadrons: the 1st Airborne Command Control Squadron, which operates the E-4B National Airborne Operations Center; the 595th Aircraft Maintenance Squadron, responsible for sustainment and upkeep of the E-4B; the 595th Strategic Communication Squadron,

provides real-time, secure, nuclear survivable missile warning and C3 capabilities; the 625th Strategic Operations Squadron maintains current and accurate targeting for the nation’s Intercontinental Ballistic Missile fleet and combat forces for two positions on board the U.S. Navy’s E-6B Mercury Strategic Command Airborne Command Post aircraft.

Defense POW/MIA Accounting Agency

The Defense POW/MIA Accounting Agency (DPAA) has been a presence at Offutt Air Force Base since 2013. The mission of the DPAA is to provide the fullest possible accounting of U.S. personnel from past conflicts to their families and the nation. DPAA is responsible for implementing the Secretary of Defense’s program to account for the more than 81,900 Americans that remain missing from World War II to the first Gulf War.

The DPAA Laboratory is the largest and most diverse skeletal identification laboratory in the world, and fulfills our nation’s obligation to maximize the

An advertisement for Papillion Animal Hospital. The background features a close-up of the American flag. The text 'Papillion Animal Hospital' is prominently displayed in a serif font, with a blue paw print replacing the 'o' in 'Hospital'. To the right is a blue silhouette of a Papillon dog. Below the name, it says 'trusted & dependable' and 'papillionanimalhospital.com | 402-331-3307'. A blue starburst graphic in the lower right corner contains the text 'we offer a military discount!'.

number of missing personnel accounted for, while ensuring timely and accurate information is provided to families.

The DPAA Nebraska Laboratory at Offutt AFB is staffed with 50 personnel comprised of a wide range of professionals who specialize in historical research, bioinformatics, data visualization, forensic odontology, forensic anthropology, and various support functions.

170th Group

The 170th Group was activated on June 26, 2007, and contains Nebraska Air National Guard members assigned to Offutt Air Force Base, Nebraska, under the Future Total Force Initiative (TFI).

The 170th GP evolved from Detachment 1, Headquarters Nebraska ANG established in June 2002. Under this total force initiative, highly qualified ANG instructor aircrew, assigned to the 238th Combat Training Squadron (CTS) provide support to the active duty 338th Combat Training Squadron, providing initial qualification, re-qualification and upgrade training to active duty and ANG aircrew members assigned to multiple aircraft throughout the WG. Likewise, within the 170th Group, ANG members are part of the NE ANG's 170th Operations Support Squadron (OSS). These highly experienced ANG personnel integrate into various sections within the 55th OSS to increase their capability to support the global operations of the 55th Wing. These functional areas include requirements, weapons and tactics, intelligence, base operations, weather, aircrew flight equipment and aviation resource management.

Overall, the 170th Group consists of 80 authorized personnel, to include 35 full-time or Active Guard and Reserve (AGR) and 45 part-time or Drill Status Guardsman (DSG).

Heartland of America Band

The United States Air Force Heartland of America Band is a 16-member operating location of the U.S. Air Force Heritage of America Band at Joint Base Langley-Eustis in Virginia. The Heartland Band is dedicated to providing innovative, professional musical support for events that enhance military morale and esprit de corps, foster public support and trust, aid recruiting initiatives, and promote our national interests at home and abroad.

The band serves United States Strategic Command, the 55th Wing, the 557th Weather Wing, and other tenant units at Offutt; performs a wide variety of community outreach missions throughout Nebraska and the Omaha-Council Bluffs metropolitan area; and is world-wide deployable. Individual musicians and various groups perform more than 150 missions annually and reach thousands more through radio and television appearances.

343rd Recruiting Squadron

The 343d Recruiting Squadron, with its headquarters located on Offutt, is the active duty recruiting squadron charged to recruit quality men and women with the right skills, at the right time, in the right numbers to sustain the combat capability of the U.S. Air Force and Space Force.

The 343d RCS covers 370,000 square miles of the upper Great Plains and Midwest regions. Its area of responsibility encompasses six states including Nebraska, Iowa, South Dakota, North Dakota, Minnesota, and Wisconsin. The 343d RCS is responsible for all active duty Air Force enlisted accessions for its respective area.

SCHOOLS

Bellevue Public Schools

Bellevue Public Schools is proud to serve the educational needs of the Bellevue/Offutt Community. The BPS District serves approximately 10,000 students; there are 2 high schools, 3 middle schools, and 15 elementary schools in the BPS District serving PK-12th grade. The district is accredited by the state of Nebraska and also earned district-wide accreditation again in 2020 through Cognia (formerly AdvancED), a global accreditation agency. Bellevue provides a comprehensive education program designed to meet the needs of all students. The district-guided, teacher-written curriculum is currently aligned with Nebraska

content area standards. Extensive extra-curricular activities provide students with multiple opportunities to participate. Each year Bellevue students earn state and national recognition in diverse fields including academics, band, vocal music, engineering, science, communication arts, JROTC, CTE, and athletics.

Mission

Champions for Children

Vision

Shaping Our Future Through Engagement, Innovation, and a Culture of Belonging

Beliefs

Bellevue Public Schools and stakeholders believe in...

- Learning for all
- Exposing students to rigorous academic programs and meeting individual needs

- Implementing effective use of technology to enhance teaching and student learning
- Preparing our students to persevere and face the challenges of living and learning in an ever-changing world
- Respecting diversity and helping students understand their roles as responsible citizens
- Providing a safe and secure learning environment
- Promoting healthy lifestyles and decision-making
- Partnering with our students, parents, and community to support learning and enhance the quality of education in our district

SCHOOLS

Gretna Schools

The Mission of Gretna Public Schools is to accept all students unconditionally and maximize their potential. The philosophy of the Gretna Public School System is to provide an equal educational process in relation to the characteristics and needs of the individual student and the community this school serves. The purpose of the school are to challenge the student to discover, develop, and supply knowledge in a changing, complex society and to extend learning experiences designed to motivate individual creativeness and develop a positive self image. Thus, the Gretna Public School System will seek to accomplish these purposes through the commitment and involvement of every person in the community.

Mission

The mission of Gretna Community Schools is to accept all students unconditionally and maximize their potential.

Plattsmouth Community Schools

The first Plattsmouth school supported by public funds was established in 1857, by Mr. and Mrs. J.P. Gorrell, while the first public Board of Education was elected in 1868.

Since that time, the District has experienced numerous changes relative to early childhood, elementary, middle school, and high school programs. Since 1999, PK-12 enrollment has increased from 1670 students to approximately 1700 students.

In 2010, over \$600,000 of American Recovery and Reinvestment Act (ARRA) funds were used for construction of a 10,000 square foot addition to expand our elementary school. Nearly \$1.5 million of Build America Bonds (BABs) were used for several projects including installation of an elevator at our early childhood center to make it more handicap-accessible.

BABs were also used to purchase the former A & M Green Power John Deere building located adjacent to the high school. The building was converted to the Plattsmouth Academic Curriculum and Equipment (PACE) Complex. It will allow us to expand our vocational education programs for students, as well our General Educational Development (GED) program.

District leaders also demonstrated foresight and used BABs for the purchase of seven acres of vacant land adjacent to

the PACE Complex. The District is exploring future construction of a proposed middle school. As growth continues in Plattsmouth, enrollment is likely to increase and necessitate expansion in the coming years. Here are a few items that may be of interest to potential students, their families, and the community.

District

Accreditation through NCA AdvancED. Healthy Schools Programs in all buildings. A rural community and schools along Highway 75 that are within 10 minutes of Bellevue and 20 minutes of Omaha.

Elementary

Class sizes in K-3 of 14-20 students. Active PTO, WATCH DOGS, and a highly rated 21st Century before and after school program.

Middle School

Strong emphasis on academics, fine arts, and athletics. New 21st Century after school program.

High School

Over 130 courses available to students. Dual-credit courses available through the University of Nebraska-Omaha and Southeast Community College. The only High School of Business and High School Diesel Mechanic programs in NE. Strong emphasis on academics, culinary arts, fine arts, and athletics. One of two Silver Level Healthy Schools Programs in the nation.

SCHOOLS

Ralston Schools

Located in the south-central portion of the Omaha metropolitan area, Ralston Public Schools includes the city of Ralston and parts of southwest suburban Omaha. Our district serves approximately 3,400 students between pre-Kindergarten and 12th grade every year through six elementary buildings, one middle school, one high school, and one alternative center.

Ralston employs more than 270 full-time teachers and maintains a teacher-to-student ratio of approximately 22 to 1. Our teaching staff consists of a combination of new and veteran educators who have an average of 10 years of experience in the district.

All schools within our district are accredited by the Nebraska Department of Education and AdvancED. We have clearly defined outcomes for student achievement, a comprehensive plan for training our staff in new instructional approaches, and a rigorous assessment system that is easy for parents to understand.

Mission Statement

Cultivating resilient citizens prepared for the diverse demands of the future.

SCHOOLS

Springfield Platteview Community Schools

Springfield Platteview Community Schools is an educational community where we know and value every student. We are an exceptional school district in Nebraska, located in southern Sarpy County, which includes the city of Springfield. We serve approximately 1,100 preschool through twelfth grade students at three facilities. Our small class and school sizes allows our students to experience learning in a safe, supportive, and caring environment.

From our superintendent to the Board of Education to our staff and community members, we work together to provide a rigorous and relevant academic curriculum and extracurricular programs to prepare our students to meet the goals and challenges that lie ahead.

Mission

The mission of Springfield Platteview Community Schools is to ensure that all students acquire the college and career ready skills and behaviors necessary for each student to success now and into his/her future.

OFFUTT PLAYS A MAJOR ROLE IN HISTORY

The Fort Crook Era

For more than a century, Offutt AFB has played a key role in American military history. From its beginnings as Fort Crook in the late 1800s, Offutt has adapted to the defense needs of the United States. The historical significance of Offutt is a source of pride for military and community members alike.

Offutt's great heritage began with the construction of Fort Crook between 1894 and 1896, some 10 miles south of Omaha and two miles west of the Missouri River. The fort's namesake was Maj. Gen. George Crook, a renowned Indian fighter and Civil War hero. Many of the original buildings constructed on the post before 1900, including the confinement facility and

various enlisted and officers quarters, are still in use today.

The 61st Balloon Company became the first air unit to command the post on Sept. 10, 1918. In the spring of 1921, the plowing, leveling and seeding of 260 acres of land at Fort Crook created an airfield suitable for frequent takeoffs and landings, and a refueling point for military and air mail aircraft on cross-country flights.

The airfield portion of Fort Crook was designated Offutt Field on May 10, 1924, in honor of 1st Lt. Jarvis J. Offutt. Killed while flying with the Royal Air Force in France; Lt. Offutt was Omaha's first World War I air casualty.

OFFUTT HISTORY

World War II and the Martin Bomber Plant

In 1940, as American involvement in World War II loomed, the Army Air Corps chose Fort Crook as the site for a new bomber plant. The plant's construction included two mile-long concrete runways, six large hangars and a huge 1.7-million sq. ft. aircraft-assembly building.

The Glenn L. Martin Company began producing bombers here in January 1942, with the plant reaching full-scale production June 8, 1942. A total of 531 B-29 Superfortresses and 1,585 B-26 Marauders were built

at the Martin-Nebraska bomber plant before the end of World War II. These aircraft included the Enola Gay and Bock's Car, the two B-29s that dropped the atomic bombs on Hiroshima and Nagasaki, Japan. Production ended on Sept. 18, 1945, when the last B-29 rolled out of the assembly building.

In June 1946, the Army Air Force re-designated Fort Crook and the Martin-Nebraska facilities as Offutt Field. Just 18 months later, on Jan. 13, 1948, Offutt Field transferred to the new Department of the Air Force and became Offutt Air Force Base. Later that same year, on Sept. 26, the 3902nd Air Base Wing became the host unit at Offutt.

Groundwork begins on the Martin Bomber Plant

OFFUTT HISTORY

Strategic Air Command

At one minute past midnight, Nov. 9, 1948, Offutt gained international prominence when it became the host base for Headquarters Strategic Air Command. Air Force Secretary Stuart Symington chose to locate the headquarters for the Air Force's crucial long-range atomic strike force at Offutt primarily because the base was centrally located on the North American continent, placing it well beyond the existing range of potentially hostile bombers or missiles.

The old frontier fort underwent startling changes in the Cold War years that followed. Operations at Offutt included the basing of alert air refueling tankers in the late 1950s and 1960s and support for intercontinental ballistic missile sites in Nebraska and Iowa in the 1960s.

Further enhancing Offutt's role as a center of military importance, were establishment of the Joint Strategic Target Planning Staff here in 1960, posting the Looking Glass airborne command post here in 1961, activation of Air Force Global Weather Central in 1969, and arrival of the National Emergency Airborne Command Post mission in 1977.

Offutt's population and facilities grew dramatically to keep pace with increased operational demands. Several new dormitories and more than 2,000 family housing units – built in the late 1950s and 1960s quickly replaced the old quarters of Fort Crook.

Headquarters SAC moved from the Martin-Nebraska complex to Building 500 in 1957, and new base facilities in the 1960s and 1970s included a hospital, main exchange, commissary and library.

Increased defense spending in the 1980s brought additional operational improvements, including the wing's special operations building, the Bennie L. Davis Aircraft Maintenance Complex, and a new underground command center for SAC.

USSTRATCOM and the 55th Wing

On Sept. 1, 1991, the 55th Strategic Reconnaissance Wing became the 55th Wing to better reflect its diverse mission. Shortly thereafter Offutt again faced monumental changes in 1992 when the easing of world tensions allowed the United States to reorganize its Air Force. The Strategic Air Command was disestablished June 1, 1992, and a new, unified command called U.S. Strategic Command was established.

With this historic change, the operational control of Offutt became the responsibility of Air Combat Command, another of the Air Force's new commands. In 2002, the Department of Defense announced the merger of U.S. Strategic Command with U.S. Space Command. The new U.S. Strategic Command is a global integrator charged with the missions of space operations; information operations; integrated missile defense; global command and control; intelligence, surveillance and reconnaissance; global strike; and strategic deterrence.

The 55th Wing continues to lead the fight by providing dominant intelligence, surveillance and reconnaissance; electronic attack; command and control; and precision awareness to national leadership and warfighters across the spectrum of conflict – any time, any place. It is the largest wing in ACC and has been continuously deployed to the Middle East for more than 22 years going back to the onset of Operations Desert Shield and Desert Storm.

The 55th Wing commemorated a combat airpower milestone in January 2007. It reached 6,000 continuous days of deployed service in the Southwest Asia area of responsibility. Deployed since the onset of Operations Desert Shield and Desert Storm, the men and women of the 55th Wing are continuing that service on a daily basis in the Global War on Terror.

This former Army outpost, once hard pressed to support a few hundred soldiers, is in its second century of service, its resources and facilities accommodating a combined military and civilian work force of more than 10,000 and supporting nearly 30,000 family members and retirees.
