

DEPARTMENT OF THE AIR FORCE
HEADQUARTERS, 55TH WING (ACC)
OFFUTT AIR FORCE BASE, NEBRASKA

1 July 2020

MEMORANDUM FOR 55TH WING PERSONNEL

FROM: Public Health Emergency Officer, 55 MDOS/SGOPR

SUBJECT: 55th Wing Restricted Travel List: Week of 29 June 2020

References: (a) 55th Wing, 1 July 2020, COVID-19 Travel Directive
(b) 55th Wing, 1 July 2020, COVID-19 Leave Directive

1. Table 1 contains the list of 55th Wing restricted travel areas for the week of 29 June 2020.

Alabama	Idaho	Montana	South Dakota
Arizona	Iowa (excluding commuters)	New Mexico	Tennessee
Arkansas	Kansas	North Carolina	Texas
California	Louisiana	North Dakota	Utah
Colorado	Michigan	Ohio	Washington
Florida	Minnesota	Oklahoma	West Virginia
Georgia	Mississippi	Oregon	Wisconsin
Hawaii	Missouri	South Carolina	All OCONUS

Table 1: 55th Wing Restricted Travel Areas

2. These areas are assessed to be at high risk for COVID-19 exposure based on a number of factors, including but not limited to:

- a. Effective rates of transmission for each area
- b. Slope of infection rates for each area
- c. Centers for Disease Control and Prevention (CDC) predictive forecasting, COVID tracking, and Travel Health Notices
- d. Federal Emergency Management Agency risk factor score

3. This list does not apply to Critical Health Care Workers based on Centers for Disease Control and Prevent and Department of Health and Human Services guidance.

4. For any questions, please contact 55th Medical Group Public Health office at 402-294-8009.

ELAINA C. WILD, Major, USAF
Public Health Emergency Officer
